Dear [redacted]

STAT

As you conclude your second summer assignment with FBIS, I would like to take this opportunity to thank you for the important contribution you have made in your work for the Analysis Group. Your assistance to all three branches of the China/Third World Division is greatly appreciated. Not only did you succeed in updating and organizing important files, but you were able to provide needed research assistance to analysts.

Your diligence and good cheer have earned our gratitude. I hope we will have the opportunity to work with you again in the near future. In the meantime, please accept my wish for a successful year at the University of Virginia.

Sincerely,

STAT
